BRAND IDENTITY

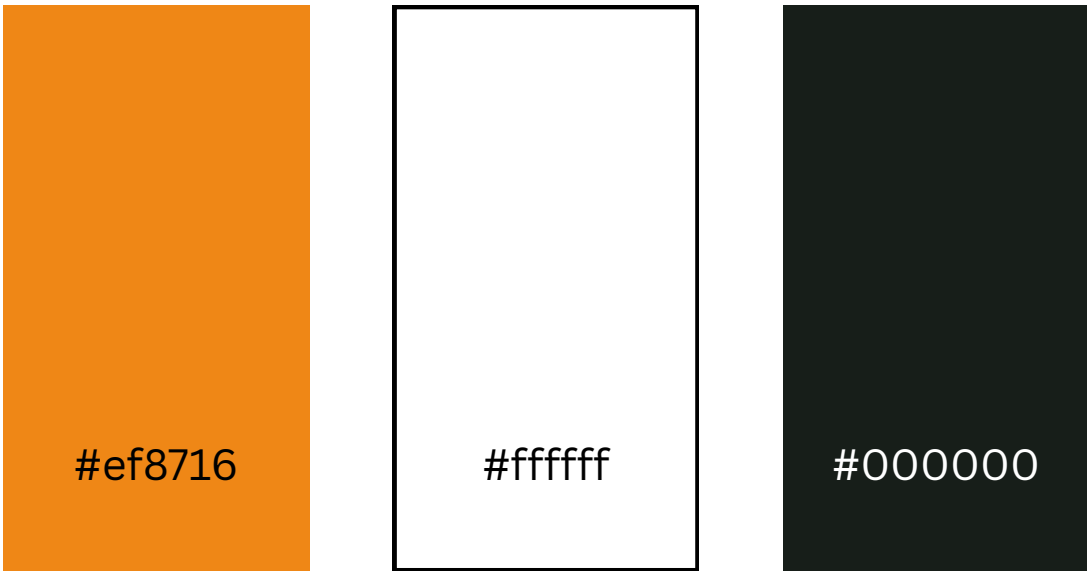

MIDIS is a digital-first creative and growth agency focused on building impactful brand experiences. We blend strategy, design, and technology to help brands communicate clearly, scale confidently, and grow consistently across digital platforms.

01 Brand Identity

Typography: **Inter** is a modern sans-serif typeface designed specifically for digital interfaces. Its balanced proportions and open letterforms make it highly legible across screen sizes and resolutions, aligning perfectly with MIDIS’s digital-first approach.

Color Palette Usage:
The **MIDIS** color palette is built to reflect clarity, confidence, and modern digital energy. **Orange (#ef8716)** is used as an accent to highlight action, creativity, and calls-to-action, while **White (#ffffff)** ensures openness, balance, and readability. **Black (#000000)** provides structure, contrast, and a strong professional foundation across all brand touchpoints.
